Conference Votes Solidly to Ex-punge From Record That Resolution Was Offered.

Spartanburg, Nov. 29.—At the closing session of the Upper South Carolina Methodist conference here this morning, a resolution offered by Rev. J. W. Speake, of Anderson, protesting against the national administration's policy for preparedness was rejected by an overwhelming majority, and a few minutes later the conference voted unanimously to expunge from the records the fact that the resolution had been offered.
